

QUEST 52

CHAPTER 26 | GROUP DISCUSSION QUESTIONS

WATCH:

- Watch this week's Group video on Chapter 26 at www.quest52.com/videos.

INTRO QUESTIONS:

- What encouraged or challenged you from the sermon and/or the daily exercises this week?
- What are some of the most common "smoke screens" people put up to avoid faith in Jesus? How do you answer those questions or doubts?
- Have you ever known someone who felt like they were unforgivable? Were you able to help them see how that wasn't true?

KEY PASSAGES:

- **Matthew 12:31-32** - When you first became familiar with this concept, what was your understanding of "the unforgivable sin"? Did this week's essay change your perception at all?
- **Revelation 3:20** - What can we learn about Jesus' pursuit of us and His unwillingness to give up on us from this verse?
- **John 10:26-30** - How can these verses strengthen our confidence that Jesus will hold onto us, no matter what?

GROUP DISCUSSION:

- Have you ever felt that Jesus would never accept you? How did you work through those fears?
- How do you reconcile Jesus' promise to hang onto "His sheep" with people that we've seen publicly walk away from their faith?
- What do you think about the Resurrection being the key moment that proves Jesus' claims, regardless of any other doubts about God?
- In a culture growing more dismissive of Christian beliefs, what answers do you think people are really looking for when it comes to faith?

WEEKLY APPLICATION:

- On page 167, we were challenged to pray, "Holy Spirit, show me what Your next step is in my faith journey" for five straight days. What did you sense the Holy Spirit telling you?
- Depending on when your group meets, you might not have reached the Hands section yet for the daily exercises of Chapter 26. If that is the case, reflect back on the following question from last week's Weekly Application. On page 161, we were challenged to ask someone we trust to point out any blind spots in our lives we might not see. Who did this, and what did you learn about yourself?
