# OUTREACH

## **UNREACHED COMMUNITIES**

Pray for the gospel to reach people who have never heard the name of Jesus, especially in regions where sharing the faith is met with resistance or persecution. Ask God to protect and strengthen Christians in these areas as they live out their faith boldly and share the message of hope and salvation. Pray for barriers to be broken, hearts to be softened for the gospel to flourish.

## **NEW MISSION WORKERS**

Pray that God will inspire individuals at Northside to hear and respond to His call to the mission field. Ask for wisdom and resources as they prepare to serve, whether it's overseas or in their own communities. Pray for their training to equip them spiritually, emotionally, and practically for long-term ministry that glorifies God.

## **SHORT-TERM MISSION TEAMS**

Pray for Northside's short-term trip participants as they serve communities near and far. Ask God to use their efforts to meet tangible needs and open doors for His love to shine. Pray also that their experiences will deepen their faith and spark a lasting commitment to share Christ everywhere.
